16 Upon Defendant's request to enter a plea of Guilty pursuant  
17 to Rule 11 of the Federal Rules of Criminal Procedure, this  
18 matter was referred to the Magistrate Judge by the District

20 the Defendant, and counsel for the United States.

1       **I make the following FINDINGS - that the Defendant**  
2 **understands:**

- 3       1. the right to persist in a plea of "not guilty";
- 4       2. the right to a speedy and public trial;
- 5       3. the right to be tried by a jury, or the ability to  
6                waive that right and have a judge try the case without  
7                a jury;
- 8       4. the right to the assistance of counsel at trial;
- 9       5. that, at trial, there would be the right to confront  
10              and cross-examine the witnesses against the Defendant;
- 11       6. that, at trial, there is the right to present a  
12              defense, and the right to have witnesses subpoenaed to  
13              testify on the Defendant's behalf;
- 14       7. that, at trial, the Defendant would have the right  
15              against compelled self-incrimination;
- 16       8. the nature of the charge filed in this case;
- 17       9. the maximum possible sentence that could be imposed  
18              (including imprisonment, fine, term of supervised  
19              release, and mandatory special assessment), the effect  
20              of a supervised release term, and that the sentencing  
21              guidelines are only advisory so that the Court may  
22              sentence Defendant up to the statutory maximum;
- 23       10. the terms of the plea agreement;

24 **I further find that:**

- 25       11. that Defendant's plea of guilty is made knowingly and  
26              voluntarily;
- 27       12. the Defendant is competent to enter a plea; and
- 28       13. there is a factual basis for Defendant's plea.

1 I therefore RECOMMEND that the District Judge accept the  
2 Defendant's plea of guilty.

3 The sentencing hearing will be before United States District  
4 Judge IRMA E. GONZALEZ, on JULY 21, 2008, at 2:00 P.M.

5 Objections to these Findings and Recommendation were waived  
6 by the parties at the hearing. The parties have also waived the  
7 preparation of the Presentence report in this case.
